Remedies for Breach of Contract

A Comparative Analysis of the Protection of Performance

Solène Rowan, Associate Professor at the London School of Economics

- Presents a clear and comprehensive survey of the English law of remedies
- Challenges the fundamentals of English law in the area of contractual remedies through the comparative study of French law and makes suggestions as to possible reform
- Analyses key developments in both English and French remedies, and addresses the ongoing reform process in European contract law

A thought-provoking analysis of remedies for breach of contract, this book examines the commitment of English law to the protection of contractual performance. It considers specific remedies, termination, compensatory damages, gain-based monetary awards, punitive damages, and contractually negotiated remedies. It also looks forward by considering how the protection of performance could be strengthened in the future.

Readership: Scholars and students of contract law; judges and legal practitioners working in contract law.
