Written by leading academics, this exciting new student-focused textbook offers readers a comprehensive understanding of Tort Law and enables them to become confident critical thinkers. Accessible and thought-provoking, Tort Law combines clear explanations of core legal principles and recent legal developments with lively discussions of key academic perspectives. Extended problem questions, flowcharts and relatable examples help students to understand how law works in a practical context and prepares them for success in assignments and exams. Engaging pedagogical boxes, such as 'Viewpoint' and 'Making Connections', encourage students to develop their own critical thinking practice and appreciate how Tort Law interacts with other areas of the core law curriculum. Comprehensive and student-friendly with engaging visual features, Tort Law is an essential companion for all undergraduate Tort Law modules, for students of all abilities.
