The Right of Redress

OXFORD LEGAL PHILOSOPHY

THE RIGHT OF REDRESS

Andrew S. Gold

This book offers a new take on various modern features of the private law landscape, ranging from equity, to damage caps, to arbitration, to corporate claims, to class actions. The Right of Redress thus offers a pathbreaking account of the justice in private law, the political theory that underlies it, and the contemporary features that shape our rights of redress today.

Features

- Presents a new theory of private law through a broad analysis of private law specialities, beginning with torts, and extending through contract, fiduciary law, and equity, among others
- Extends private law analysis to further disciplines like political theory and moral philosophy, incorporating analysis of Kantian and civil recourse approaches

THE AUTHOR: Andrew S. Gold

Andrew Gold is a Professor at Brooklyn Law School
